Since 1928 the live Hollywood Christmas Parade has been a loved and cherished annual holiday tradition enjoyed by Angelenos, as well as by millions watching the televised airings of the parade nationally on The CW Network and internationally on Armed Forces Network around the world. The only exceptions were during World War II from 1942 to 1944 when the parade wasn't presented, and in 2020, when a highlights telecast of parades over the last 10 years was presented, due to the COVID 19 global pandemic. The parade was then presented live again in 2021, 2022 and 2023, and returns this year to celebrate its 92nd Anniversary live in the streets of Hollywood, CA!

Grand Marshals who have appeared in *The Hollywood Christmas Parade* during the last 91 years include: Jeanette Loft, Joe E. The Hollywood Christmas Parade was originally called the **Santa Claus Lane Parade**. When the American performer **Gene Autry**, who was known as The Singing Cowboy, was riding on his horse down Hollywood Boulevard in the 1946 Santa Claus Lane Parade, he heard young parade spectators in the crowd exclaim, "Here comes Santa Claus!" This incident became the inspiration for Autry to compose the traditional perennial Christmas holiday song, "**Here Come's Santa Claus (Right Down Santa Claus Lane)**," which he co-wrote with **Oakley Haldeman** in 1949. Autry first recorded the song in 1947. The song was released as a single by Columbia Records, and became a #5 country and #9 pop hit at the time. Gene Autry is the only celebrity to have **five stars on the Hollywood Walk of Fame**, one in each of the five categories, **Motion Pictures, Radio, Recording, Television and Live Theater**. Today the intersection of Hollywood Boulevard at Highland Avenue, part of the Hollywood Christmas Parade route, is named **Gene Autry Square**.

The Origin and Evolution of the Marine Toys for Tots Program 77 Years Ago:

Toys for Tots began in 1947 as the brainchild of **Marine Corps Reserve Major Bill Hendricks**. Actually it was his wife, **Diane Hendricks**, who was the real inspiration. She had a few handcrafted dolls and asked Bill to deliver them to an agency that supports children in need.

When Bill Hendricks reported back to his wife that he could not find such an organization, she instructed him to “start one!” Major Hendricks and the Marines in his reserve unit in Los Angeles collected and distributed 5,000 toys in 1947. Seeing such successful community engagement in 1947, the Commandant directed all Marine Reserve Sites to implement a Toys for Tots campaign, transforming it into a national community action program in 1948.

Bill Hendrick’s civilian job was Director of Public Relations at Warner Brothers Studios. He had many celebrity friends who he asked to help support the newly created **Marine Toys for Tots Program**. As a personal friend and as a favor to Bill Hendricks, **Walt Disney** designed the first Toys for Tots poster, which included a miniature three-car train that was subsequently adopted as the Toys for Tots logo.

The Marine Toys for Tots Foundation, an IRS recognized 501(c)(3) not-for-profit charity, was established in 1991 at the behest of the Marine Corps to help run and support the Marine Toys for Tots Program. The Foundation raises funds, purchases toys, provides promotional and support materials, manages all funds raised and donated, solicits corporate support, educates the public, and handles day-to-day operations. Presently, the Marine Toys for Tots Program distributes an average of 18 million toys to 7 million less fortunate children annually. **To learn more, please visit:**
